

10 things I couldn't decorate without

1. White Pitchers and Dishes

These are perfect for styling any vignette in any season. I try to pick them up at garage sales and thrift stores or just on sale.

2. Spray Paint

I change my mind, a lot, so spray paint keeps things interesting. Plus, it is a great way to give new life to all of those thrift store and garage sale finds.

With all of the colors it comes in, the possibilities are endless!

3. Candlestick Holders

See # 2!! I always pick these up at garage sales or thrift stores because no matter what the color that can always be changed so I look for shape and size. They can be swapped out and moved from room to room.

4. Picture Frames

See #2! I always have a ton of these around. They are great for a bunch of different projects. Great for framing family photos, cool art, or unique architectural pieces..

5. Painted Furniture

Painted Furniture adds warmth to any space. Plus, you can guarantee unique pieces by painting them what you want. If you get tired of that color you can paint it again.

6. Crates and Wooden Boxes

I am slightly obsessed with all sizes, shapes and colors of wooden boxes but I especially love the antique-y brown wooded ones. They add such warmth and texture to your space. They also are great for storage and add height to any vignette.

7. Books

I love Books! They add so much interest to any space. They are great conversation starters, they can add color to your space or height to your vignette.

8. Baskets

Baskets are great for so many reasons! They come in a ton of different shapes and sizes and are great for storage in any room. They add wonderful warmth, color and texture.

9. Nature

I am all about the budget and what could be better than FREE. Nature gives us so many beautiful things to decorate with so Bring the outside in! Yes, that's a Bees nest on the wall!

10. Throw Pillows

Throw pillows are an inexpensive way to add softness, color and texture and can be a wonderful way to add personality with sayings and quirky pictures. The beauty is that they are not hard to make yourself either and you don't even need a sewing machine!
